The **NSELC**, in partnership with the **Rutherford Learning Group**, is pleased to offer an exciting professional learning opportunity for P-12 teachers and educational leaders. The two day conference will focus on strategies for high performance teaching that enhance student learning. Participants will be introduced to patterns of skillful instruction. They will become familiar with the 23 themes of teaching that enable teachers to create classrooms with high levels of student engagement, effort, clarity, thinking, performance, and success. Conference participants will recognize the themes in their own teaching, determine their skills and strengths, and enhance their practice.

Dr. Mike Rutherford, educator, author, speaker, and creator of the *Skillful Observation Coaching Laboratory* program and *The Artisan Teacher* multi-media series is recognized as a leading international authority on adult learning, professional leadership, instructional coaching, and teacher efficacy.

Dr. Rutherford's work with administrators enrolled in the Nova Scotia Instructional Leadership Academy has illustrated the impact that the themes of the Artisan Teacher have had on leadership that supports best practices in instruction and assessment. The Artisan Teacher Conference offers an opportunity for teachers in Nova Scotia to learn from Mike's dynamic research-based work.
